Headquartered in Brazil with offices in Latin America, TMSA, is one of the largest suppliers for bulk material handling equipment to Port Terminals, Grain or Oilseed Processing Industries. Portfolio includes high capacity grain cleaners, enclosed belt conveyors, shiploaders among others.

Technology to **move the world**

Recognized worldwide for our quality, we are committed to advancing the goals of ESG by providing durable, low-maintenance equipment that ensures unparalleled reliability, along with tangible environmental benefits such as reduced airborne dust, lower noise, and superior operating efficiency. Our mission extends beyond manufacturing - we actively strive to reduce waste, contain contaminants, and continually improve our manufacturing processes for greater efficiency and environmental responsibility.

Choose TMSA for technologically advanced, environmentally conscious bulk handling solutions that don't compromise performance.

A large Liebherr LHM 550 mobile harbour crane is shown on the deck of a ship. The crane is white and yellow, with the Liebherr logo and 'LHM 550' clearly visible. It is positioned against a dramatic sunset sky with orange and blue clouds. The crane's lattice boom is extended upwards. The ship's deck and the ocean are visible in the foreground and background.

The new LHM

Designed for the future of
maritime cargo handling -
more digital, more
automated and smarter.
